

A short interview with Zhenlian:

** The most important thing what you should know about me is ... that I enjoy what I am doing, my motive for painting is not for vanity, I paint for the joy of creation, and because for me painting is an affordable luxury...*

** Art gives me ... joy...*

** I compare art to ... having a cup of tea and reading a poem.....*

** Nature is for me ... a master and source of all happiness.....*

** I am a part of Sunflowers Art Association because I am happy to be part of a society which respects and loves art....*

** I find most fascinating in life ... is watching a cat in all her postures*

** I am dreaming of... having my paintings hanging in art galleries and in people's homes...*
