

A short interview with Denitsa Mihaylova:

** The most important thing what you should know about me is... I like making interior projects, paintings, photography.*

** Art gives me... opportunity to touch one amazing world filled with imagination, fantasy and magical stories.*

** I compare art to... fly.*

** Nature is for me... a miracle, an inspiration.*

** I am a part of Sunflowers Art Association because... I like their message of positive attitude towards life through art.*

** I find most fascinating in life... the journeys, the art, the wild world.*

** I am dreaming of... visiting more interesting places, realized more projects, exhibitions.*
