

A short interview with Ivana Režek:

*\* The most important thing what you should know about me is .....*

*\* Art gives me... opportunity for expression, communication, learning new things, meeting a lot of people and discovering new viewpoints.*

*\* I compare art to... a mode of communication with a significant amount of freedom.*

*\* Nature is for me... constant source of amazement.*

*\* I am a part of Sunflowers Art Association because... I like the idea of optimistic, energetic and uplifting art.*

*\* I find most fascinating in life... the ways in which the human mind works.*

*\* I am dreaming of... many 'what if'-s, 'why not'-s, alternative realities and possible futures.*
